Rollei **Tripod Bag B1 & Tripod X4i**

www.rollei.com

Rollei since 1920

Rollei Fotopro TT-1: 2 in 1 combination of Tripod X4i and Tripod bag B1

- **The B1 back pack is** fashionable, functional, light and predective, and designed to keep your DSLR constantly at hand. It will also hold an X4i tripod, plus a lens and a flash.
- **The colourful X4i Tripod** was developed especially for travel fans and outdoor photographers. It is light, compact and 4x extendable.
- Three leg adjustment angles – central column with retractable second segment.
- Die-cast components made from aluminium-magnesium alloy, CNC precision technology.
